NOTARIAL PROTOCOL

N° 35. RECORD OF VERIFICATION. Requested by Victor Eduardo Vital - DEED

NUMBER THIRTY-FIVE - In the City of San Luis

Province of the same name, Argentine Republic, on the FIFTEENTH day of the month of MARCH of the year TWO THOUSAND TWENTY-FIVE, I, Juan

Cruz BERTÍN, Authorizing Notary, Holder of Notarial Registry Number

Twenty-Seven, in compliance with the requirement made by deed 33 executed before me, on March 14 of the current year, at the request of Mr.

Victor Eduardo VITAL, National Identity Document N°. 16.041.846, I am

present at the location known as "Lo de Peki", Potrero de los Funes,

where the congress on Deliberate Damage Caused by Vaccines, Electromagnetic Radiation, and Toxic Atmospheric Fumigation is being held, to

observe, using the same Microscopes, the evolution of the samples in my possession as per the aforementioned record of request and verification.

Doctor Zelada Rück and Doctor Martín Monteverde being present, I

hand them each microscope slides containing samples of the diluent

liquid for the reconstitution of the dengue vaccine, Qdenga, and the in-

fluenza vaccine Flucelvax Quad, repeating the procedure performed yesterday, after which the doctors issue the following report: "An evolution

an evolution of the self-assembly of nanotechnology is observed, forming

more complex figures from yesterday to today, and 21 encompassing all

the elements observed previously." Act

Subsequently, the doctors request the following product, which is in my possession,

for opening and analysis using the same procedure: "Jayor Physiological

Solution, Sodium Chloride 0.9%," which after its analysis the

Doctors observe structures consistent with graphene oxide, ribbons, microblades, luminous points, and bubbles containing self-assembling nanotechnology. The sample is heavily contaminated with particles exceeding the declared quantity and size. Subsequently, they request that the identification of each analyzed product be recorded, as follows, according to each container: "1- Inactivated tetravalent influenza vaccine. Brand: Flucelvax Quad Laboratories Seqirus S.A. GTIN: (01) 05060025631455. Serial number: (21) 358166075769. Lot: P100778318. Exp: 11/30/2025. 2- Diluent for the tetravalent Dengue vaccine. Brand: Qdenga. Laboratories Takeda. GTIN : (01) 07038319158658. Serial number: (21) 40031263145538. Lot: 562480. Exp: 26/02/2026. 3- Physiological solution of 0.9% sodium chloride and water for injection q.s.p. 100 mL. Brand: Jayor. Laboratorios Jayor S.R.L. Lot: 696. Exp: 11/2025. I photographed the images from both microscopes throughout the analysis. These photographs are attached to this record and are considered part thereof. At the request of the involved professionals and Mr. Víctor Vital, I took custody of the analyzed vials, which I continue to keep refrigerated, and the remaining products, for preservation and delivery to the requesting party or their designated authority. There being no further facts to record, I conclude my task and proceed.
